

HUMAN TRAFFICKING

Are you a victim
of trafficking?

You are not the only one

Did you know that according to estimates, 500,000 to 2,000,000 people in the world, mainly women and children, are illegally trafficked each year for sexual exploitation and forced labour?*

You are not alone

The law strictly punishes human traffickers and provides protection for the victims. This protection is, in fact, provided without the victim's obligation to cooperate with the authorities. You can escape. Find out exactly what you can do.

You are entitled to protection, care and support.

24 hour SOS Helpline

The SOS Helpline:

Is staffed by psychologists and social scientists specialised in violence against women.

It operates 24 hours a day, 7 days a week, 365 days a year.

Services are confidential.
Calls are charged at local rates.

It provides:

- immediate help for emergency cases
- information and referral services
- psychosocial counselling

to victims of all forms of violence against women.

If you are an immigrant we can provide services in English.
